# April's Management Discussion & Analysis (MD&A)

## 2021-22 Budget Highlights:

- \* The Children's Trust continues to emphasize the importance of program spending that provides critical services for children and families in our community.
- \* The Children's Trust increased its direct service funding by \$40.8 million since its last funding cycle ending in fiscal year 2018. In alignment with the strategic plan and the Board's guidance the funds will be allocated as follows:
  - \* Early Childhood Development \$35.8m
  - \* Youth Development \$61.2m
  - \* Parenting \$20.1m
  - \* Health & Wellness \$21.5m
  - \* Family & Neighborhood Supports \$12m
- \* The Miami-Dade Property Appraiser reported an assessed tax roll of \$340 billion, which equates to approximately:
  - \* Based on 0.5000 millage rate (tax increase rate), ad valorem tax revenue = \$161.5m, this represents a 15.5% tax increase.
- \* Miscellaneous revenues are expected to remain consistent with the previous fiscal year. The Trust manages its funds to primarily emphasize safety, liquidity, and return (in that order). Interest rates for 30, 60, 90-day and 1-year Certificates of Deposit significantly decreased since the fiscal year 2020. In the spring of 2020, the COVID-19 pandemic took full effect on worldwide economies, initiating a rapid decline in interest rates. The Trust is also reducing its fund balances reserves, therefore less funds will be available to earn interest revenue.

## Management and Non-Operating Expenditures

- \* The Children's Trust has reduced the management (G&A) expenses to 6.22% of its total expenses, an all-time low.
- \* The Trust expects an increase to non-operating expenditures. The Trust budgets funds for obligations to Community Redevelopment Areas (CRAs) for the fiscal year 2022, which include Overtown and Omni areas of the City of Miami. The Trust commits these funds on an annual basis. The amount obligated to these areas depends upon the amount of ad valorem tax revenue generated by these communities. Since the Trust adopted the millage rate of 0.5000, a tax increased rate, The Trust expects to have an increased obligation to these areas.

## Additional Considerations:

### Property Tax Revenues

- \* With property tax bills mailed on or before November 1 of each year, and discounts ranging from 1-4% the sooner payment is received, The Trust records a significant amount of revenue during the months of November, December, January, and February. Below is a cumulative collection rate compared to the budget.

Month	FY 2022	FY 2021
October	0.0%	0.0%
November	12.3%	18.0%
December	83.3%	80.6%
January	87.5%	85.1%
February	90.5%	88.3%
March	92.2%	90.6%
April	96.0%	90.6%

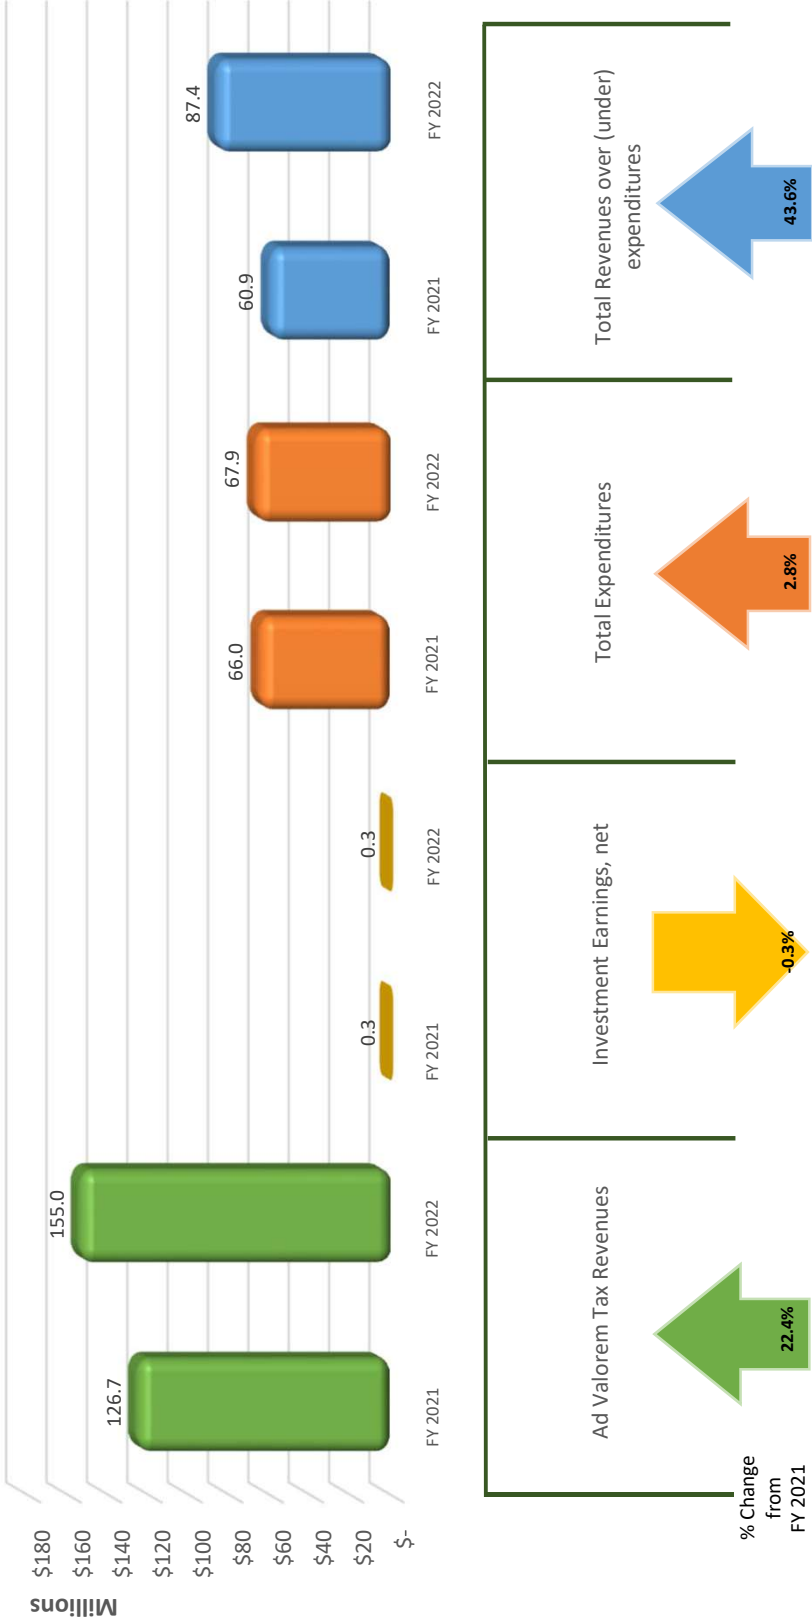

### *Fund Balance*

- Adopted a tax increase rate of 0.5000 for the fiscal year 2022, which will increase revenues from the fiscal year 2021. Increased revenues will steady the use of fund balance reserves. The Trust will implement a strategy of balanced revenues and expenses to maintain the fund balance at its current level, which represents equal to 2 months of operational expenditures, as recommended by the Government Finance Officers Association (GFOA) best practices.
