The Children’s Trust Board Meeting

Date: July 20, 2020

Resolution: 2020-81

Strategic Plan Priority Investment Area: Youth Development: After-school programs and summer camps; Family and Neighborhood Supports: Place-based and Countywide Partnerships.

Recommended Action: Amend resolution: (1) #2020-47, granting authorization to execute contracts with 84 providers for high-quality after-school and summer programming, to remove one of The Urban League of Greater Miami, Inc.’s subcontractors; (2) #2020-56, granting authorization to execute contracts with 14 providers for Family and Neighborhood Support Partnerships, to remove one of the City of Homestead’s subcontractors; (3) #2020-46, granting authorization to execute a contract with Miami-Dade County for the HERO truancy prevention program, to replace the subcontractor.

Budget Impact: There is no budget impact for this action.

Background: During contract negotiations, changes in subcontractors were identified as follows:

- **The Urban League of Greater Miami, Inc. contract** - On April 20, 2020, through resolution #2020-47, the board of The Children’s Trust approved contract renewals with 84 providers for high-quality after-school and summer programming, including The Urban League of Greater Miami, Inc., with World Literacy Crusade as a subcontractor. The Urban League of Greater Miami, Inc. opted not to contract with and to directly provide the services previously provided by World Literacy Crusade.
- **City of Homestead contract** - On May 18, 2020, through resolution #2020-56, the board of The Children’s Trust approved contract renewals with 14 Family and Neighborhood Support Partnerships providers including the City of Homestead with Communities In Schools of Miami, Inc. (CISM) as a subcontractor. Thereafter, the CISM board of directors voted to dissolve the organization as of June 30, 2020. As such, CISM can no longer serve as a subcontractor in the City of Homestead’s Family and Neighborhood Support Partnerships contract. The City of Homestead will provide the services previously provided by CISM.

The Children's Trust Board Meeting

Date: July 20, 2020

Resolution: 2020-82

Strategic Plan Priority Investment Area: Parenting: Read to Learn

Strategic Plan Headline Community Results: Children are supported by nurturing and involved parents; and children are ready for kindergarten.

Recommended Action: Authorization to negotiate and execute contracts with the Miami-Dade Family Learning Partnership, Inc. and All in One Mail Shop, Inc. d/b/a All in One Direct Marketing Solutions for the support and maintenance of a birth to five book club, in a total amount not to exceed \$1,387,892.00, for a term of 12 months, commencing October 1, 2020, and ending September 30, 2021, with three remaining 12-month renewals, subject to annual funding appropriations.

Budget Impact: Funding in the amount of \$1,387,892.00 for this resolution is projected to be available in FY 2020-2021.

Description of Services: The Children's Trust book club provides free, monthly age-appropriate books and supporting materials for children from birth to five years of age in Miami-Dade County. By participating in the book club, parents are provided with the means to help their children build strong learning and social skills. The opportunity to remain in The Children's Trust Book Club for five years increases touchpoints with parents, provides families with information and strategies that bolster early interactions, and supports child brain development and kindergarten school readiness.

The book club aims to reach 60 percent of eligible children within five years, contingent upon necessary funding. The first-year membership growth goal aims to reach 12 percent of eligible children. In year one, monthly books will be available in English and Spanish. In year two, books in Haitian Creole will be added, following community input and expert content creation and curation.

National research indicates poverty is a leading indicator of limited early reading skills, since it may contribute to lower school readiness, poor school attendance, and learning loss in the summer. These factors contribute to achievement gaps between children in low and middle-income households. To reduce these disparities, focused marketing and recruitment for this universal book club will be prioritized in neighborhoods where early child development, kindergarten readiness and third grade reading levels are historically lower, and child poverty rates higher than the county average.

The Children's Trust's Read to Learn investments include The Children's Trust Book Club, Reach Out and Read, and the Books for Free programs, which are all part of the community-wide campaign for grade-level reading in Miami-Dade County. The campaign focuses in part on increasing high quality early learning experiences, including early access to books in multiple languages and early parent-child reading interactions supported by parent-friendly guides for developmentally appropriate practices with young children.

The Children’s Trust Book Club is comprised of four implementation components, which include the following key services:

- 1) **Content Development and Book Buying** – Includes the: (i) selection of developmentally-appropriate books for young children, (ii) creation of culturally-relevant content and activities to accompany the books, inclusive of content for children with disabilities, (iv) development of digital content, activities that support early literacy, math and social-emotional skills, and (v) procurement of books.
- 2) **Professional Fulfillment Services** – Includes packaging and monthly mailing of the books and accompanying materials.
- 3) **Marketing** – Includes creating specialized marketing campaigns for recruitment partners, overall marketing campaign and creating marketing collaterals. This component is approved under a separate resolution for marketing services.
- 4) **Ongoing Operations** – Includes project and vendor management, relationship building to coordinate outreach and enrollment with other early childhood organizations and the community, customer service, and day-to-day oversight. These tasks are carried out by a dedicated Children’s Trust staff member. The book club’s existing software management solution has been redesigned and upgraded to automate most tasks necessary for managing the expanded book club.

Vendors for the above-described implementation components and The Children’s Trust are working together to ensure coordination and effective operations. The following vendors are recommended for renewals:

Agency	Implementation Component	Amount Not to Exceed
Miami Dade Family Learning Partnership, Inc.	Content Development/Book Buying	\$716,892.00
All in One Mail Shop, Inc. d/b/a All in One Direct Marketing Solutions	Professional Fulfillment Services	\$671,000.00

Background: The Children’s Trust issued a request for proposals (RFP) # 2019-10, on March 27, 2019, to fund one or more vendors to implement The Children’s Trust expanded book club. Applicants could apply for one or more of three implementation components in the RFP: content development and book-buying; professional fulfillment services; and ongoing operations. Two agencies were funded for the book club's content development/book buying and professional fulfillment services components. The operations, functions, and marketing of the book club is managed by The Children’s Trust and contracted marketing vendors.

Due to delays with selecting a marketing vendor, the launch of the book club was delayed to July 2020. During contract year 2019-2020, a comprehensive technology system was built that will support the ongoing operation, management, and program evaluation of the book club. Six months of content guides were created and an overall marketing campaign with associated marketing collaterals were completed. Numerous early childhood organizations collaborated and supported these efforts in the past year, as part of The Children’s Trust Book Club Community Advisory Committee. The following individuals and organizations are members of the Advisory Committee and receive payment for content development services for each content guide:

- Miami-Dade County Public Schools
- Florida International University
- Dr. Melissa Baralt
- Dr. Marisel Elias Miranda

- Maggie Casero

The Children's Trust Board Meeting

Date: July 20, 2020

Resolution: 2020-84

Strategic Plan Priority Investment Area: Operations

Strategic Plan Headline Community Results: This resolution supports all headline community results.

Recommended Action: 1) Rescind and replace resolution #2007-60 and #2007-60 (amended September 4, 2018); and 2) amend the procurement policy to reflect separate CEO spending authority for (a) certain categories of funding requests, and (b) purchases of operating goods and services for The Trust. CEO spending authority related to certain categories of funding requests will be limited to \$1,200,000.00 per fiscal year, with quarterly reports provided to the board of directors. CEO spending authority for operating goods and services will be limited to \$25,000.00 per vendor and approved by the board during the budget approval process.

Budget Impact: There is no budget impact for this resolution.

Background: On May 7, 2007, the Board adopted resolution #2007-60, which authorized and approved a "funding allocation in an amount not to exceed \$100,000.00 per calendar month for each quarter of the Trust's fiscal year, . . . and further authoriz[ed] the President/CEO to negotiate and execute grants/contracts for funding requests under \$25,000" in certain areas (advocacy, training, research and innovation, events, community outreach, leverage and match, public awareness, natural disasters, and program promotions) with the provision of quarterly reports to the Board of all expenditures. (See attachment A).

On December 7, 2017, the Board adopted a procurement policy providing that "Per board Resolution 2007-60, the President/CEO has the authority to approve *the purchase of goods and services* and *direct community services* from a single vendor amounting to less than \$25,000.00 in a fiscal year, but such purchases shall not exceed a total of \$100,000.00 per month in total across multiple vendors" and requiring quarterly reports to the Board. (See attachment B, Section 2000, subsection C.).

On August 30, 2018, due to a higher volume of funding requests received by the Children's Trust during summer months, the President/CEO requested more flexibility in approving requests for funding under \$25,000.00. Accordingly, on September 4, 2018, the Board amended resolution #2007-60 to remove the spending cap of \$100,000.00 per calendar month and replace it with a yearly spending cap of \$1,200,000.00. The narrative for the amended resolution (#2007-60) included the phrase "purchase of goods and services" as part of the description of the President's/CEO's spending authority. (See attachment C). Likewise, Section 2000, subsection C. of the current procurement policy, also adopted by the Board on September 4, 2018, contains the phrase "purchase of goods and services." (See attachment D).

Current Status: Currently, the board receives quarterly reports of the President/CEO expenditures under \$25,000.00 in the following funding request categories which are, as indicated, awarded pursuant to the procedures outlined in the procurement policy: community engagement strategies and activities (Section 2010 procurement policy); community Resolution 2020-84 CEO Spending Authority

outreach activities policy (Section 2008 procurement policy); capacity building, training, and professional development (Section 2007 procurement policy); match funding and funder collaboration (Section 2006 procurement policy); unsolicited requests for funds (Section 2005 procurement policy). These reports do not contain an account of all of the President/CEO "purchase[s] of goods and services" under \$25,000.00 that the Children's Trust expends, which include management, general, and administrative expenditures such as the various supplies, materials, goods, services, merchandise, equipment, information technology, or any other items purchased or leased by The Children's Trust, or certain professional or consulting services. Professional services may include evaluations, consulting, accounting, security, management systems, management consulting, educational training programs, meeting facilitation, planning, and research and development studies on the findings of consultants engaged therein.

Recommended Action: Rescind and replace Resolution # 2007-60 and Resolution # 2007-60 (amended September 4, 2018) with Resolution #2020-84 and likewise amend the procurement policy to reflect separate President/CEO spending authority under \$25,000.00 and guidelines for (a) the purchase of goods and services for the operations of the Children's Trust, (b) the above-noted funding request categories in the procurement policy.

The procurement policy, Section 2000A. Definitions, "Goods and Services", Section 2000. General Purchasing and Procurement Policy, subsections C. and D. will be amended in whole to read as follows:

Section 2000A. Definitions

Operational Goods and Services: Any of the various supplies, materials, goods, services, merchandise, equipment, information technology, or any other items purchased or leased by The Children's Trust *for use by The Children's Trust*, or professional services *for The Children's Trust*, excluding architectural and engineering services subject to section 287.055, Florida Statutes, or services that fall within the definition of "Direct Community Services" below. The professional services that may fall within the definition include, consulting, accounting, security, management systems, educational training programs, and research and development studies on the findings of consultants engaged therein.

Section 2000. General Purchasing and Procurement Policy

C. President/CEO Funding Authority

Per board Resolution #2020-84, the president/CEO has the authority to negotiate and execute grants/contracts for funding requests from a single vendor or organization or entity, amounting to less than \$25,000.00 in a fiscal year, up to \$1,200,000.00 per year across multiple vendors or organizations or entities, for the following funding request categories:

- community engagement strategies and activities (pursuant to procedures in Section 2010 procurement policy)
- Community outreach activities (pursuant to procedures in Section 2008 procurement policy)
- capacity building, training, and professional development (pursuant to procedures in Section 2007 procurement policy)
- match funding and funder collaboration (pursuant to Section 2006 procurement policy)
- unsolicited requests for funds (pursuant to section 2005 procurement policy).

The President/CEO shall provide, at a minimum, quarterly reports to the board for the items approved in Section 2000, subsection C. Funds awarded to a single vendor or organization or entity under this section (President/CEO Funding Authority) will be

considered independent and separate from direct community services funding and thresholds.

D. President/CEO Purchase Authority for Goods and Services less than \$25,000

Purchases per vendor per fiscal year with a value up to \$25,000.00 may be approved by the President/CEO or his/her designee without board approval. These operational expenditures are reported in annual budget categories disclosed within general administrative and capital expenditures. Such purchases shall follow the procedures outlined in D-1. and D-2 below depending on the purchase amount.

D-1. Purchases of Goods and Services up to \$5,000: Purchases per vendor per fiscal year up to \$5,000.00 shall be carried out using appropriate purchasing practices, which includes submission of a purchase requisition that is fully completed and approved by appropriate department staff.

D-2. Purchases of Goods and Services greater than \$5,000 and less than \$25,000.00: Purchases greater than \$5,000.00 and less than \$25,000.00 shall follow the informal quote and other procurement practices outlined in Section 2000, subsection E.

The foregoing recommendation was offered by _____ who moved its approval. The motion was seconded by _____ and upon being put to a vote, the vote was as follows:

Board Meeting

Date: May 7, 2007

Resolution: 2007-60

Action Requested: Authorization and approval of funding in an amount not to exceed \$100,000 per month, for each quarter of The Trust's fiscal year, retroactively beginning April 1, 2007 and authorization for the President/CEO to negotiate and execute grants/contracts for funding requests under \$25,000, providing quarterly reports to the Board of all expenditures.

Issue: Establish greater accountability for funding requests under \$25,000. Approximately \$100,000 per month for funding is approved by the President/CEO through The Trust's procurement policy. The President/CEO desires greater accountability of these funding requests.

Budget Impact: No budget impact since funds contracted are for expenditures included in the approved operating budget.

Background:

Section II, Paragraph E., of the current procurement policy adopted by the Procurement Committee on May 15, 2005 authorizes the President/CEO to "contract for professional services for \$25,000 or less to complete projects or activities authorized or approved by the Board. Potential services to be managed through contractual relationships may include but are not limited to administrative/fiscal contract reviews, payroll, training/capacity building, requests for proposal development, evaluations, research revenue maximization and administrative services."

Since Board adoption of the referenced policy The Trust has expanded the number of new funding opportunities, competitive and non-competitive, to nine separate categories: advocacy, training including child care workers, research and innovation, events, community outreach, leverage and match, public awareness, natural disasters, and program promotion. This expansion has led to an increased demand for Trust funding for training programs, events, public awareness activities, and for contract amendments within the scope of previously approved resolutions from the Board. The majority of these funding requests are for an amount less than \$25,000.

Current Status:

Each month The Trust receives numerous requests for funding that fall within the various categories described above. Approximately \$100,000 per month for funding is approved by the President/CEO through the referenced procurement policy. The President/CEO desires greater accountability of these funding requests.

Recommended Action:

It is recommended that the Board prospectively authorize and approve a funding allocation in an amount not to exceed \$100,000 per calendar month for each quarter of The Trusts' fiscal year, retroactively beginning April 1, 2007, and authorize the President/CEO to negotiate and execute grants/contracts for funding requests under \$25,000, with quarterly reports to the Board of all expenditures. Funds approved by the Board for this allocation will not roll-over into the next Trust FY quarter, but will be maintained in The Trust's general fund.

RESOLUTION NO. 2007-60

AUTHORIZE AND APPROVE A FUNDING ALLOCATION IN AN AMOUNT NOT TO EXCEED \$100,000 PER CALENDAR MONTH FOR EACH QUARTER OF THE TRUST'S FISCAL YEAR, RETROACTIVELY BEGINNING APRIL 1, 2007, AND AUTHORIZE THE PRESIDENT/CEO TO NEGOTIATE AND EXECUTE GRANTS/CONTRACTS FOR FUNDING REQUESTS UNDER \$25,000, WITH QUARTERLY REPORTS TO THE BOARD OF ALL EXPENDITURES.

WHEREAS, by prior action the Board approved the President/CEO to have the authority to contract for professional services for \$25,000 or less; and

WHEREAS, The Trust with prior Board approval has greatly increased the number and type of competitive and non-competitive funding opportunities, other than for professional services, to further promote its guiding principles of strengthening families and seeking ways for all children to achieve their fullest potential; and

WHEREAS, this expansion of services has led to an increased demand for Trust funding for training programs, events, public awareness activities, and for contract amendments within the scope of previously approved resolutions from the Board, as set forth in the attached narrative incorporated by reference herein; and

WHEREAS, each month The Trust receives numerous requests for funding that fall within the various categories described in the narrative; and

WHEREAS, the majority of these funding requests are for an amount less than \$25,000, and approximately \$100,000 per month for funding these requests is approved by the President/CEO through the Trust procurement policy; and

WHEREAS, the President/CEO desires greater accountability of these funding requests as set forth in the attached narrative incorporated by reference herein; and

WHEREAS, Trust staff recommends that the Board prospectively authorize and approve a funding allocation in an amount not to exceed \$100,000 per calendar month for each quarter of The Trust's fiscal year, retroactively beginning April 1, 2007, and recommends the Board further authorize the President/CEO to negotiate

and execute grants/contracts for such funding requests under \$25,000, with quarterly reports to the Board of all expenditures, with approved funds for this allocation not rolling-over into the next Trust fiscal year quarter; and

WHEREAS, the Board is in agreement with the recommendations set forth in the attached narrative incorporated herein;

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF THE CHILDREN'S TRUST, MIAMI-DADE COUNTY, FLORIDA that this Board authorize and approve a continuing funding allocation in an amount not to exceed \$100,000 per calendar month for each quarter of The Trust's fiscal year, retroactively beginning April 1, 2007, and further authorizes the President/CEO to negotiate and execute grants/contracts for funding requests under \$25,000, in the areas set forth in the attached narrative, with the provision of quarterly reports to the Board of all expenditures, as described in the narrative, subject to approval for legal sufficiency and form.

The foregoing recommendation was offered by **Gerald Schwartz** who moved its approval. The motion was seconded by **Dr. Jose Vicente** and upon being put to a vote, the vote was as follows: **22/0/0**

The vote was recorded as in the attached roll call sheet.

The Chairperson thereupon declared the motion was adopted and passed and this **7th Day of May 2007**.

In the instances of community outreach, match funding, capacity building, training and/or professional development services refer to policy match funding policy No. 2007, capacity building, training and/or professional development services policy No. 2008, and community outreach policy No. 2009.

D. **Purchases up to \$5,000:**

Purchases with a value equal to \$5,000 and no more than \$50,000 shall be carried out using appropriate purchasing practices, which include, but are not limited to:

E-1. Submission of a purchase requisition that is fully completed and approved by appropriate department staff.

Purchases exceeding \$25,000 shall be brought to the board for approval.

The Children's Trust Board Meeting

Date: September 4, 2018

Resolution: 2007-60 (AMENDED)

Strategic Plan Priority Investment Area: Operations

Recommended Action: This resolution seeks to amend Resolution #2007-60 (Attachment A), approved by the Board of Directors on May 7, 2007, relating to the President/CEO's discretionary spending authority for funding requests under \$25,000.00, to replace the monthly restriction of \$100,000.00 with the equivalent yearly spending cap on the authority of the President/CEO for such expenditures. The procurement policy will be revised to reflect this amendment.

Budget Impact: No budget impact since funds contracted are for expenditures included in the approved operating budget.

Background:

In accordance with Resolution 2007-60 (Attachment A), Section 2000, part C of the current Procurement Policy adopted by the Board of Directors on December 7, 2017 authorizes the President/CEO to to approve the purchase of goods and services and direct community services from a single vendor amounting to less than \$25,000.00 in a fiscal year, and provides that such purchases shall not exceed a total of \$100,000.00 per calendar month in total across multiple vendors. Such expenditures shall be presented, at a minimum, in quarterly reports to the Board.

Current Status:

Each month The Children's Trust receives unsolicited requests for funds via email or letter. Staff follows the process outlined in Section 2006 of the Procurement Policy in responding to these requests. If approved for any amount under \$25,000.00, staff documents these approvals and creates a report to be submitted to the Board on a quarterly basis. Approximately \$1,200,000.00 per year for funding is approved by the President/CEO through the referenced Procurement Policy. Due to the higher volume of funding requests received by The Children's Trust during the summer months, the President/CEO desires more flexibility in approving these requests for funding and to not be limited by the current restriction of \$100,000.00 per calendar month. The yearly spending cap of \$1,200,000.00 will be adhered to along with quarterly reports submitted to the Board.

Recommended Action:

It is recommended that the Board amend Resolution #2007-60 to remove the \$100,000.00 per calendar month cap on the President/CEO's discretionary expenditures and, instead, prospectively authorize and approve a funding allocation for this purpose in an amount not to exceed \$1,200,000.00 per fiscal year beginning October 1, 2018. No further changes to Resolution #2007-60 will be made. Individual funding requests remain capped at \$25,000.00, and the President/CEO will continue to provide quarterly reports to the Board of all expenditures. Funds approved by the Board for this allocation will not roll-over into the next Trust fiscal year quarter, but will be maintained in The Trust's general fund.
