February's Management Discussion & Analysis (MD&A)

2017-18 Budget Highlights:

- The Children's Trust continues to emphasize the importance of program spending that provides critical services for children and families in our community.
- The Children's Trust will offer an additional \$10.1m during the fiscal year 2017-18 for services. In alignment with the strategic plan and the Board's guidance the funds will be allocated as follows:
 - Early Childhood Development \$4m
 - Youth Development \$3m
 - Parenting \$3m
 - Health & Wellness \$135k
- The Children's Trust is budgeting a net decrease in management (G&A) expenses of approximately \$317k, which is related to a decrease in budgeted positions and includes a merit increase. The Trust has now budgeted decreases in management expenses for 2 fiscal years, 2016-2017 (\$470k) and 2017-2018 (\$317k), totaling approximately \$788k.
- For the first time in 9 years, The Children's Trust has reduced the management (G&A) expenses to 7.5% of its total expenses.
- The Miami-Dade Property Appraiser reported an assessed tax roll of \$274.6 billion, which equates to approximately:
 - Based on 0.4673 millage rate (rolled-back rate), ad valorem tax revenue = \$121.9m, this represents a 0% tax increase. Adopting the rolled-back rate rather than the .5000 millage rate resulted in a net effect of \$8.5m less tax revenues.

Additional Considerations:

With property tax bills mailed on or before November 1 of each year, and discounts ranging from 1-4% the sooner payment is received. The Trust records a significant amount of revenue during the months of November, December, January and February; though only interest income in October (if any).

During the fiscal year 2017, approximately \$8,000,000 additional revenues were collected due to increased overall Miami-Dade County property value. Interest earnings significantly increased due to the growth of interest rates and the additional cash holdings in Trust financial. If interest rates continue to increase during the fiscal year 2018, The Trust can expect a slight increase to interest earnings. Interest earnings will not increase significantly because The Trust adopted a rolled-back rate, which will generate similar revenues to prior year.

The Trust can expect a significant decrease to both non-operating expenditures and miscellaneous revenues. Early in fiscal year 2018 The Trust was informed from the CRA of Miami Beach that it will no longer be obligated to commit approximately \$2 million. The Trust budgeted the \$2 million obligation for the fiscal year 2018 before learning that the commitment had been satisfied. Payment has been made to the remaining CRAs which The Trust commits funds to on an annual basis. The significant dollar variance represented in administration and non-operating noted on page 6 reflects the decrease in obligation and payment.

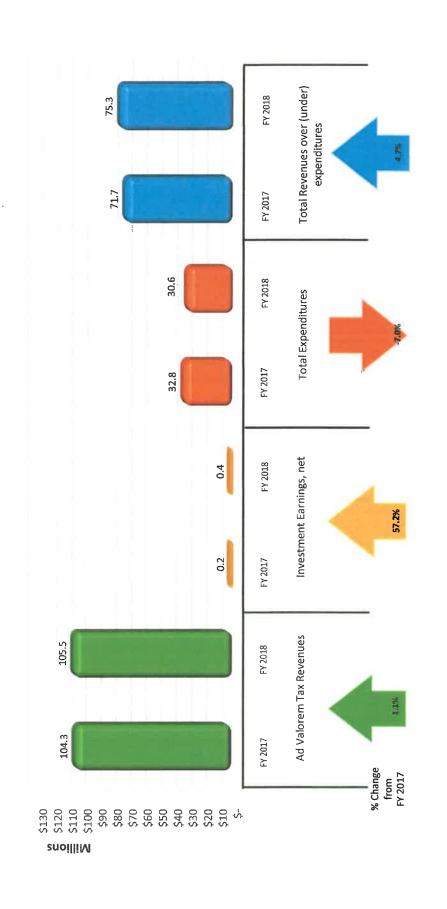

The Trust ended the fiscal year 2017 with a fund balance of approximately \$67,030,000. In response to the growing fund balance, The Trust adopted the rolled back millage rate of 0.4673 for the fiscal year 2018, which would maintain revenues consistent with the fiscal year 2017. The Trust plans to spend an additional \$10,000,000 during fiscal year 2018 in program services to address the growing fund balance, as well as increase the available funding for the upcoming 5-year solicitation cycle that is in effect from fiscal years 2019 through 2023 by \$30,000,000. The Trust has devised a strategy to significantly draw down its existing fund balance during the next solicitation cycle, without compromising its ability to fund programs to a similar capacity in future funding cycles.
