

Supporting Backup Documentation Checklist

Reimbursement is to be requested for approved budgeted line items only. Expenditures requested for non-budgeted line items will be disallowed.

This document is intended as a guide as to what is considered appropriate documentation to support expenditures. The supported documentation is to be submitted in the following manner:

- Copies are to be clean and readable
- Copies are to be organized in the same order as the expenditures listed in the request for reimbursement
- If more than one item and/or amount is on a page and not all items are to be reimbursed by The Children's Trust, highlight the item and/or place an asterisk "*" next to the item requested to be reimbursed
- Pages are to be numbered (may be done by hand). A cover page must be used to separate each line item category for ease in review and/or a table of contents used to indicate the page number of the supporting documentation. A listing of each line item category, the name of the vendor that payment was made to, and the corresponding payment amount may also be provided to aid in the review
- Checks are to relate to the month that reimbursement is requested for
- Requests for reimbursement are to exclude the Florida sales tax in instances that sales tax should not have been paid
- Copy of the bank statement from which checks were paid e.g. operating and payroll account and/or copy of cancelled checks

Salaries:

- Copy of payroll register. Place an asterisk "*" and/or highlight the employee(s) charged to the program. The payroll register is to include the employee name, pay period, position title (position title should be in agreement with the title appearing in the approved contract budget), gross check amount, hourly rate and/or annual salary, number of hours worked for the contract and check number. If the payroll register does not reflect the check number, attach a copy of the canceled payroll check.
