

Do You Have a Child With Asthma?

Has your child missed 5 or more days of school in the past two months due to asthma related reasons? Or, has your child gone to the ER or to urgent care for their asthma?

The Florida Department of Health in Miami-Dade County is looking for families with children between the ages of 5-16 that have been diagnosed with asthma to participate in their Asthma Home-Visit Program.

The program consists of:

- Asthma Education
- Indoor Environment Assessment
- Three In-Home Visits
- Flexible Appointment Schedule
- Free Asthma-Friendly Starter Kit

Please complete the section below and fax to 786-732-8714 if you are interested in participating:
