• 302 CAMPS ACROSS THE COUNTY
• 18,000 STUDENTS
• JUN 14 - AUG 20

PHYSICAL OFFERING

VIRTUAL OFFERING

GRADES PK-12
Hourly M-DCPS teacher(s) and interventionist(s) will be assigned to each summer camp based on the anticipated number of campers (enrollment data provided to the school district by TCT).

Most camps will be allocated one hourly teacher/interventionist for 25 hours per week (JUN 28 - JULY 30).

Small camps will be allocated one hourly teacher/interventionist for 10, 15, or 20 hours per week (JUN 28 - JULY 30).

Large camps will be allocated multiple hourly teachers/interventionists, who will each work 25 hours per week (JUN 28 - JULY 30).

Some teachers/interventionists may work at two camps each week, based on the size of the camp.

Under no circumstances should a M-DCPS teacher/interventionist work more than 25 hours per week.

Individual hourly teacher/interventionist work schedules will be jointly coordinated by each camp director and their assigned M-DCPS teacher(s)/interventionist(s) in order to maximize academic support services for campers without interfering with other camp activities.

Unless otherwise agreed to by the assigned M-DCPS hourly teacher/interventionist, academic support services must take place in the morning.
**Learning Success Kits:**

The Learning Success Kit is a teacher-developed supplemental curriculum product to help PK – 5 campers practice and build on important skills such as multiplication, reading comprehension, and writing, as well as social-emotional learning practices. The materials include both hands-on repeated practice and single-use reference materials for supporting elementary curriculum skills. Campers can make use of the journals, games, flash cards, dry erase mats, and more. The full-color Activity Guide includes a letter to families, in both English and Spanish, that provides guidance on how each item is used and offers additional activities for taking learning further. Campers receive repeated practice of key grade-specific skills to help them succeed in the next school year. The Learning Success Kits will be delivered to The Children’s Trust for easy distribution to providers based on enrollment by grade level at each camp.
Take-Home Backpacks:
All campers in grades Pre-K-3rd Grade received Take-Home Backpacks at their school sites before the school year ended to prevent summer learning loss and prepare them for the upcoming school year. The backpack includes a Kids Learn! Workbook with skill-specific activities in reading, math, and TIME For Kids high-interest books that will keep campers engaged in reading grade-appropriate content and topics. The take-home backpacks are included as a resource as part of the ELA and Mathematics Instructional Frameworks for providers to complete with the campers daily.

Current 1st Graders received Ducks in a Row and Mac and Cheese and the Perfect Plan

Current 2nd Graders received Flat Stanley and the Firehouse and Amazing Tigers!
M-DCPS @ THE CHILDREN’S TRUST SUMMER CAMPS
ELEMENTARY INSTRUCTIONAL FRAMEWORKS
BellXcel Learning Bundles:

All campers in grades 6-8 participating in The Children’s Trust Summer Camps will receive a comprehensive bundle that includes student activity book, novels, magazines, a discovery guide, and access to virtual field trips. The activity books will enable students to practice both literacy and math skills to better prepare them for next school year. The Learning Bundles will be delivered to The Children’s Trust for easy distribution to providers based on enrollment by grade level at each camp.
M-DCPS @ THE CHILDREN’S TRUST SUMMER CAMPS
MIDDLE SCHOOL INSTRUCTIONAL FRAMEWORKS
Students in grades 9-12 will have access to two leading SAT/ACT prep providers via the M-DCPS Student Portal as part of our college and career readiness initiatives.

USA Test Prep will provide students practice on both the SAT and ACT English components. Learning pathways have been designed to ensure students receive the preparation they need to master the test skills.

Khan Academy will provide students with personalized pathways to practice the math skills needed to succeed on the SAT Mathematics portion.
• PD sessions will occur on June 24

• One participant from each camp provider will be able to attend

• The deployed teacher will have a planning day on June 25 to review lessons, visit their assigned camp(s), etc.

• Details and zoom links are forthcoming
