Summary: The Community Engagement Manager is responsible for performing a variety of community driven duties with an emphasis on maintaining contact with community groups, parents and other caregivers, providing support to residents on children’s needs, as well as evaluating and responding to community needs concerning children. The incumbent exercises independence of action and will possess considerable knowledge of community activities and needs for children and families and use considerable professional judgment in the performance of community engagement work.

This is a professional opportunity to work in community engagement with child service providers, parents and residents of the community. The community engagement manager conducts the most direct interactions between community residents and The Children’s Trust. These interactions inform The Trust of matters of importance to residents of particular communities. The community engagement manager serves to mentor the leadership skills and opportunities for residents to influence positive changes for children and families. The incumbent will dialogue with the public on key issues affecting children and families through community engagement efforts to increase The Children’s Trust’s understanding, and ability, to meet these needs. The community engagement manager will also perform a variety of duties to provide assistance to parents to participate in increased civic engagement and advocacy on behalf of their children.

Work performance is reviewed directly by the director of public policy and community engagement through meetings, reports, and observation of results achieved.

Essential Duties and Responsibilities:

- Participates in meetings with individuals, community organizations, professional groups, neighborhood groups, houses of worship, corporations and other groups to promote an understanding of community needs.
- Mobilizes the community to respond to events and issues affecting children and families.
- Meets with community leaders to understand community issues and needs.
• Keeps informed on community information, demographic characteristics, growth patterns, projected municipal and community plans and other information affecting children and families by participation in meetings or by correspondence.
• Serves as a member of task forces involving county, state, private and nonprofit agencies engaged in responding to community needs and their priorities in child development, health and human services.
• Assists in planning and development of new community programs and in the expansion of existing program based on community priorities.
• Holds listening sessions and provides support for youth involvement forums. Plans and participates in special events.
• Must be able to travel to community meetings at various locations throughout the county during regular work hours and during occasional evenings, weekends or holidays.
• The incumbent must possess a valid Florida driver’s license.
• Prepares reports of findings, conclusions and recommendations.
• Performs other duties as needed and determined by the chief public policy and community officer.

Performance Expectations:
- Maintains an annual community engagement work plan with key dates, events and activities
- Participates in department and community meetings, some of which are during evening hours and or weekends and holidays
- Maintains up-to-date and accurate files through electronic and paper files as appropriate
- Provides project management skills effectively to plan and prioritize work assignments, as well as works efficiently on several projects simultaneously, both independently and within a team

Qualifications:
The incumbent must be able to handle numerous tasks simultaneously to perform this role successfully. The individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skills and/or abilities required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education and Experience:
Bachelor’s degree in Public Administration, Social Work, Child Development or related degree along with a minimum of three to five years’ experience in a related field such as working with neighborhood and civic associations, boards, community groups, or within a social service agency, child and family services setting. An equivalent combination of related education and experience may be considered.

The incumbent must have strong planning and assessment skills for community needs and solutions, and strong leadership skills including community organization, consensus-building, conflict resolution and motivation. He/she must be fully competent in the utilization of demonstrated personal computing skills for word processing, data management and power point functions. He/she must have a working knowledge of the
